## ABOUT CLIFTONS

Cliftons provides premium, purpose-built, Training and Event Facilities and Solutions, ensuring our clients' programs are delivered seamlessly and successfully around the globe.

Powered by the best training facilities available, and backed up with the broadest range of training specific solutions, Cliftons is leading the way in training and meeting venues, as recognised in the 'Best Venue Award' in the 2010 LearnX Asia Pacific Awards.

Here are 5 reasons to choose Cliftons for your next training, seminar or event:

### 1. Facilities

- Award-winning venues with ergonomic environments, climate controlled rooms, natural light and enhanced lighting to create the optimal learning environment
- Centrally located venues within 10 CBD locations in Australia, New Zealand, Singapore and Hong Kong

### 2. Customer Service

- One point of contact for your booking whether a one-off session in Sydney or a global roll-out on every major continent or across regional Australia
- Dedicated, 24/7 administrative and technical support to avoid time loss due to technical issues

### 3. Total Solutions

- One stop shop for all training and meeting needs, from printing and catering through to online registration and course management

### 4. Technical Support

- The latest in networked hardware, high speed connectivity and superior data security– backed up by dedicated technicians on all training floors to support your every need

### 5. Innovation

- Cliftons offers the latest in training technology including digital flipcharts, interactive whiteboards and audience voting systems
- Our innovation extends beyond the classroom with Virtual Classrooms, Online Registration/Payments and Post-Event Feedback surveys
