## ABOUT CLIFTONS

Cliftons is the leading provider of premium, purpose-built training and event facilities, seamlessly delivering total event solutions and outstanding customer support around the globe.

Recognised by the industry for providing the optimal environment to enhance learning, Cliftons won the Gold Award for Best Venue in Asia Pacific at the 2011 LearnX Awards.

Here are 5 reasons why you should choose Cliftons:

### 1. Facilities

- Award-winning venues with ergonomic environments, climate controlled rooms, natural light and enhanced lighting to create the optimal learning environment
- 12 centrally located venues within 10 CBD locations in Australia, New Zealand, Singapore and Hong Kong
- Access to an additional 5,000 venues across 2,200 cities worldwide through Cliftons affiliate network

### 2. Customer Service

- One point of contact for your booking whether a one-off session, global roll-out or across regional Australia
- Dedicated, 24/7 administrative and technical support to avoid time loss due to technical issues
- Cliftons flexible booking policy requires no deposit, ensuring hassle-free organisation of training and events

### 3. Total Solutions

- One stop shop for all training and meeting needs, from printing and catering through to online registration and course management

### 4. Technical Support

- The latest in networked hardware, high speed connectivity and superior data security– backed up by dedicated technicians on all training floors to support your every need

### 5. Innovation

- Cliftons offers the latest in training technology including digital flipcharts, interactive whiteboards and audience voting systems
- Virtual Classrooms, Online Registration/Payments and Post-Event Feedback Surveys extend options beyond the classroom
