## WHAT OUR CLIENTS SAY ABOUT US

*"Having worked with Cliftons for over 15 years, I have confidence to know that once my request is confirmed, it will be fulfilled with the utmost professionalism. On occasion, the venue was at maximum capacity and the Cliftons Operations Team went above and beyond to find a suitable third party provider. I would recommend Cliftons without reservation."*

**Gary Trainor, Delivery, Resource and Relationship Manager, Avnet Academy**

*"Having just one contact person, and one supplier sending us invoices, means we could focus our energies on training coordination and student scheduling rather than logistical delivery, enabling us to accomplish a lot more than we would if we had to organise venues, PCs and tech support ourselves."*

**Joanne Kruger, National Operations Manager, ThreeSixty**
